

LEGACY CHRISTIAN ACADEMY PARENT TEACHER LEAGUE

THE MISSION

The mission of the PTL is to support the school's mission to provide excellence in Christian education and to make disciples of God's children.

CORE VALUES

We, the Parent Teacher League (PTL) of Legacy Christian Academy (LCA), stand on the following principles:

- Our children are treasures of priceless worth to our God, our school, our families, our community, our society, and our country (John 3:16).
- Our children are the future of our communities, society, and country; and as such should have a quality Christian education based upon virtue, integrity, and honesty that will encourage each to achieve their highest potential (Jeremiah 29:11).
- As parents, we have the responsibility of training our children; to this end we work with teachers, staff, and administrators who provide excellence in Christian education for our children (Deuteronomy 6:4-6, Proverbs 22:6).
- As parents we have the responsibility to work with teachers, staff, and administrators to assist in providing an atmosphere that fosters a desire for learning, a quest for knowledge, and the desire to strive for personal excellence and spiritual growth through a personal relationship with Jesus Christ (Colossians 3:1-17).
